AFFIDAVIT IN SUPPORT OF SEARCH WARRANT

I, Josh Reinsch, Special Agent with the Homeland Security Investigations (HSI), having been duly sworn, depose and state as follows:

1. I make this Affidavit in support of an application under Rule 41 of the Federal Rules of Criminal Procedure for a search warrant authorizing the examination of property—an electronic device identified below and in **Attachment A**, which is currently in law enforcement possession—and the extraction from that property of electronically stored information described in **Attachment B**, which constitute evidence, instrumentalities, and fruit of violations of 21 U.S.C. §§ 841(a)(1) and 846.

2. I am a special agent (“SA”) of the Department of Homeland Security (“DHS”), Immigration and Customs Enforcement (“ICE”), Homeland Security Investigations (“HSI”), and as such am an investigator or law enforcement officer of the United States within the meaning of 18 U.S.C. § 2510(7), that is, an officer of the United States who is empowered by law to conduct investigations and make arrests for offenses enumerated in 18 U.S.C.

§ 2516. I have been employed as a special agent with DHS/ICE/HSI since January 2010. I am currently assigned to the HSI Office of Grand Rapids, Michigan.

3. During the course of my employment, I have participated in numerous drug investigations involving marijuana, cocaine, heroin, fentanyl, and methamphetamine, which have resulted in the arrests of targets, the seizure of illicit drugs and drug-related evidence, and the forfeiture of drug-related assets. I have conducted and supervised complex financial investigations involving the trafficking of drugs and other contraband, and money laundering including the structuring, placement, and layering of large amounts of U.S. Currency. I have participated in and/or executed search and seizure warrants authorizing the search of locations used by drug traffickers and their co-conspirators, as well as vehicles used to transport controlled substances. Materials searched for and recovered in these locations have included controlled substances, packaging materials, scales, cutting agents, weapons, documents and papers reflecting the identities of co-conspirators and receipts for concealed investments, and proceeds from the distribution of controlled substances. I have personally participated in interviews of witnesses and cooperating sources regarding illegal trafficking in drugs and have read official reports of similar interviews by other officers. I have also

participated in surveillance operations, observing and recording movements of persons trafficking drugs and those suspected of trafficking drugs.

4. I have participated in four federal wiretap investigations throughout my career. During those wiretap investigations, I acted as a wire room supervisor, and as surveillance and operations Team Leader. During all of the above-referenced wiretap investigations, I drafted affidavits for search warrants, organized surveillance operations, interviewed suspects, and executed search warrants. I have conducted minimization, monitoring, and summarization procedures required as part of a wiretap investigation. I also authored numerous tracking warrants to obtain precision location information for cellular telephones. As a result, I have gained knowledge of the methods utilized by drug traffickers and other criminals to avoid detection by law enforcement. In light of this training and experience, I know the following:

- a. I am aware of the methods in which drug couriers and money launderers associated with drug trafficking organizations (DTOs) often use electronic devices, including computers, tablets, cell phones, and other electronic storage devices, to communicate and execute electronic transactions which can, in turn, create automatic records and documentation of the transactions;
- b. I am aware that that it is particularly common for individuals engaged in the sale and distribution of illegal narcotics and/or money

laundering to use electronic devices to track and document financial transactions;

c. I am aware that individuals engaged in drug trafficking and/or money laundering will often maintain more than one cell phone or electronic device, and that they will frequently keep contact information and other evidence of their financial dealings with DTOs on cellular phones, computers, tablets, and other storage devices and that they often keep such electronic devices on or near their person.

d. I am also aware that individuals engaged in the sale and distribution of illegal narcotics and/or money laundering will use cellular phones to further their financial businesses using digital communication, including, but not limited to, e-mail and instant messaging; and

e. I am aware that drug traffickers and money launders use their cellphones and other electronic devices to execute financial transactions through banks, financial institutions, and peer-to-peer mobile payment platforms in furtherance of their drug trafficking.

5. I am submitting this Affidavit in support of a search warrant authorizing a search of one cellular telephone, a **dark gray iPhone, serial number unknown, currently in the custody of HSI Oklahoma City (hereinafter the SUBJECT DEVICE)**, as further described in **Attachment**

A, which is incorporated into this Affidavit by reference. I am submitting this Affidavit in support of a search warrant, which would authorize the forensic examination of **SUBJECT DEVICE** for the purpose of identifying electronically stored data that is particularly described in **Attachment B**, which constitute instrumentalities, evidence, and fruits of violations of 21 U.S.C. §§ 841(a)(1), 846. The requested warrant would also authorize the seizure of the items and information specified in **Attachment B**.

6. Based on my training, experience, and the facts set forth in this Affidavit, there is probable cause to believe that violations of 18 U.S.C. §§ 841(a)(1) and 846 have been committed by **Jamie Redburn (REDBURN)** and others. There is also probable cause to search the property described in **Attachment A** for instrumentalities, evidence, and fruits of these crimes, as described in **Attachment B**.

7. Since this Affidavit is being submitted for the limited purpose of securing a search warrant, I have not included each and every fact known to me regarding this investigation. I have set forth only the facts that I believe are necessary to establish probable cause to support the issuance of a search warrant. The information contained in this Affidavit is based upon my personal knowledge and observation, my training and experience, conversations with other law enforcement officers and witnesses, and review of documents and records.

PROBABLE CAUSE

8. HSI, DEA, and IRS are presently investigating Naigang Lin (LIN) and his associates for money laundering and black-market marijuana distribution. As explained in more detail below, LIN—a longtime Michigan resident—appears to have relocated to the Western District of Oklahoma, where he serves as a marijuana broker, taking advantage of the state’s recent increase in marijuana grows—many of which investigators have determined are out of compliance with state law and are selling marijuana on the black-market. I believe that LIN is being sourced by these marijuana grows and is also providing money-laundering services to them. The investigation has established that **REDBURN**, from whom the **SUBJECT DEVICE** was recently seized, is a courier for LIN. On May 2, 2023, LIN and eleven others were charged in the Western District of Oklahoma by criminal complaint with a drug conspiracy to possess with intent to distribute and to distribute marijuana, from in or about January 1, 2019, through on or about May 1, 2023.

9. On May 10, 2023, law enforcement conducted a knock and talk of a residence owned by LIN located at 5189 Bonasa Dr NE, Rockford, Michigan (the “Bonasa Residence”).¹ While at the residence, agents encountered the

¹ The Bonasa Residence was identified by law enforcement when bank documents were obtained from Lake Michigan Credit Union when LIN’s suspected cousin, Naiqing Lin (NAIQING) opened an account on LIN’s behalf and deposited \$30,000 in cash. NAIQING then tried to issue a cashier’s check

wife of **REDBURN**, Bethany Redburn, who indicated that **REDBURN** was at work in Lansing, Michigan. Agents asked if she was willing to call **REDBURN**, to which Bethany replied she would. When **REDBURN** answered and Bethany informed him law enforcement was at the residence, **REDBURN** replied “Is this about Nai?”—which investigators understood to refer to LIN. While talking with **REDBURN**, agents asked for permission to enter the residence because the property and owner (LIN) were under investigation. **REDBURN** replied that he did not want law enforcement inside the residence as he didn’t want to be implicated because of property left by LIN. Agents asked **REDBURN** if he believed that there was anything illegal inside to which **REDBURN** replied that there was a black water barrel in the garage that contained marijuana. Agents asked **REDBURN** if they could remove anything illegal in the residence left by LIN, and **REDBURN** agreed. **REDBURN** then indicated he would return to the residence. Upon discovering the barrel of marijuana, agents obtained a federal search warrant for the residence.

10. During the search and subsequent in person interview of **REDBURN**, **REDBURN** was asked if there were any other illegal items in

for the purchase of a commercial building located at 1400 Sunset Ave, Lansing, Michigan. When asked for proof of residence, NAIQING provided a lease agreement with LIN (acting as a landlord) that indicated the residence for NAIQING was the Bonasa Residence.

the residence, to which **REDBURN** responded that he had a marijuana grow setup in the basement. When asked if he had a license to grow, **REDBURN** provided paperwork for and he and his wife indicating the grow was through a caregiver license. Members of the Michigan State Police (MSP) Marijuana team reviewed the licenses and determined they were expired. Upon discovering the grow, approximately 103 plants were seized from the residence, well above the limit for someone with a caregiver license. **REDBURN** admitted to agents that he sells the marijuana for cash. Approximately 6 kilograms of marijuana was seized from the barrel referenced earlier.

11. Based upon my training and experience, I am aware that individuals involved in trafficking illegal drugs often use cell phones to maintain contact with other co-conspirators, including suppliers, transporters, distributors, and purchasers of illegal narcotics. Such cell phones and their associated memory cards commonly contain electronically stored information which constitutes evidence, fruits, and instrumentalities of drug trafficking offenses including, but not limited to, the phone directory and/or contacts list, calendar, text messages, e-mail messages, call logs, photographs, and videos.

12. Based on my training and experience, I know that individuals involved in trafficking illegal drugs often take and store photographs of controlled substances and the proceeds of drug sales, and usually take and store these photographs using their cell phones.

13. Based on my training and experience, I know that electronic devices like **SUBJECT DEVICE** can store information for long periods of time. Similarly, things that have been viewed via the Internet are typically stored for some period of time on the electronic device. This information can sometimes be recovered with forensic tools. This is true even if the user of the electronic device deleted the file. This is so because when a person “deletes” a file on a computer or electronic device, the data contained in the file does not actually disappear; rather, the data remains on the storage medium until it is overwritten by new data.

AUTHORIZATION REQUEST

14. Based on the above information, there is probable cause to believe that violations of 21 U.S.C. §§ 841(a)(1) and 846 have occurred, and that evidence, fruits, and instrumentalities of these offenses are located on the **SUBJECT DEVICE**. Therefore, I respectfully request that this Court issue a search warrant for the **SUBJECT DEVICE**, described in **Attachment A**, authorizing the seizure of the items described in **Attachment B**.

15. Based on the foregoing, and consistent with Rule 41(e)(2)(B), the warrant I am applying for would permit the examination of the **SUBJECT DEVICE** consistent with the warrant. The examination may require law enforcement to employ techniques, including but not limited to computer-assisted scans of the entire medium, which might expose many parts of the

SUBJECT DEVICE to human inspection in order to determine whether it is evidence described by the warrant.

16. Because the warrant seeks only permission to examine devices already in law enforcement's possession, the execution of this warrant does not involve the physical intrusion onto a premises. Consequently, I submit there is reasonable cause for the Court to authorize execution of the warrant at any time in the day or night.
